Regala, Edmonds, Hurst, Dunshee, Constantine, Dickerson,  
Wolfe, Ogden, Ruderman and McIntire)

Providing for oil and gas pipeline safety.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Declares an intent to protect the health and safety of the citizens of the state of Washington and the quality of the state's environment by developing and implementing environmental and public safety measures applicable to persons transporting hazardous liquids and gas by pipeline within the state of Washington.

Finds that public safety and the environment may best be protected by adopting standards that are equal to, or more stringent than, those adopted by the federal government.

Declares that it is the further intent of this act to ensure that the state of Washington fully activate the authority it is currently provided under the federal pipeline safety act (49 U.S.C. Sec. 60101 et seq.) as it exists on the effective date of this act. In addition, it is the intent of this act to provide policy direction for the development of state pipeline safety programs in the event of a delegation of authority to the state for inspection of interstate pipelines.

Requests that the governor work with the state congressional delegation in seeking improvements to the federal pipeline safety act (49 U.S.C. Sec. 60101) when it is being reauthorized.

Directs the department and the utilities and transportation commission to jointly support the governor in seeking delegation of federal authority to inspect interstate pipelines and enforce state and federal pipeline safety requirements.

Directs the department to adopt rules: (1) Setting penalty amounts, but may not exceed the penalties specified in the federal pipeline safety laws, 49 U.S.C. Sec. 60101 et seq.;

(2) establishing procedures for mitigating penalties assessed; and

(3) incorporating by reference other substances designated as hazardous by the secretary of transportation under 49 U.S.C. Sec. 60101(a)(4).

Transfers all powers, duties, and functions of the utilities and transportation commission pertaining to pipeline safety to the department of ecology.

Creates a pipeline safety committee to advise the department, and other appropriate federal, state, and local government agencies and officials on matters relating to pipeline safety, routing, construction, operation, and maintenance.

Requires that, in consultation with the emergency management program within the state military department, the department of ecology, and local emergency services organizations, the chief of the Washington state patrol, through the director of fire protection or his or her authorized deputy, shall: (1) Evaluate the preparedness of local first responders in meeting emergency management demands under this act; and

(2) conduct an assessment of the equipment needed by local first responders to meet emergency management demands related to pipelines.

Directs the chief of the Washington state patrol, through the director of fire protection or his or her deputy, to develop curricula for training local first responders to deal with pipeline accidents.

Directs the utilities and transportation commission to establish a single state-wide toll-free telephone number to

be used for referring excavators to the appropriate one-call center.

Provides that, whenever excavation work occurs within five feet of a hazardous liquid or gas pipeline, the one-call system shall be notified by the excavator at least two working days prior to the start of excavation.

Provides that any person who fails to notify the one-call system of excavation work that is planned to occur within the right-of-way of a hazardous liquid pipeline is subject to a civil penalty of not more than ten thousand dollars for each violation.

Creating domestic violence fatality review panels.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Provides that, subject to the availability of state funds, the department shall contract with an entity with expertise in domestic violence policy and education and with a state-wide perspective to coordinate review of domestic violence fatalities. The coordinating entity shall be authorized to:

- (1) Convene regional review panels;
- (2) gather information for use of regional review panels;
- (3) provide training and technical assistance to regional review panels;
- (4) compile information and issue biennial reports with recommendations; and
- (5) establish a protocol that may be used as a guideline for identifying domestic violence related fatalities, forming review panels, convening reviews, and selecting which cases to review. The coordinating entity may also establish protocols for data collection and preservation of confidentiality.

Provides that the act shall be null and void if appropriations are not approved.

Modifying the tax treatment of linen and uniform supply services.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that some linen and uniform supply services have been incorrectly characterized for retail sales tax purposes. These businesses have been characterized as providing cleaning services when in fact they rent clean items to customers. As a result of this incorrect characterization, some companies that perform laundry activities outside the state of Washington have not been required to collect retail sales taxes upon linen and uniform supply services provided to Washington customers.

Declares that this error in tax treatment provides an incentive for businesses to locate their laundry functions out of state. In-state businesses cannot compete if out-of-state competitors are not required to collect sales tax.

Creating the joint task force on ferries.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Creates the joint task force on ferries.

Requires the joint task force on ferries to report to the full legislature at the beginning of the 2001 legislative session. The report must include, but not be limited to, analysis and recommendations on the following: (1) Establishment of a long-term goal for a target for recovery of operating costs from fare revenue that recognizes that the operation of the ferries is the proprietary provision of a service for a fee;

(2) options for further cuts in ferry service or full or partial restoration of ferry service cuts;

(3) feasibility of full or partial privatization of the ferry system, public-private partnerships, or state and local partnerships; and

(4) establishing the short-term and long-term capital needs of the Washington state ferry system, recognizing that the ferry system is part of the state's highway system and that it is appropriate that the public pay for the capital needs of the ferry system as an extension of the lands-based highway system.

Creating a reimbursement system for the state's medical assistance programs in rural hospitals.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Provides that payments for recipients eligible for medical assistance programs under chapter 74.09 RCW for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, may include, but are not limited to, consideration of cost-based reimbursement when services are provided by a rural hospital that either: (1) Has been certified by the health care financing administration as a critical access hospital; or

(2) meets the geographic criteria for a critical access hospital and has no more than twenty-five available beds, with not more than fifteen acute care beds and ten swing beds. If cost-based reimbursement is considered, it is as defined by the hospital's cost to charge ratio. Any additional payments made by the medical assistance administration for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

Directs the department of social and health services to implement the program created in this act within sixty days

of the effective date of this act regardless of the beneficiary's managed care status.

Provides that the act shall be null and void if appropriations are not approved.

Improving child care services.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires every child day-care center and family day-care provider to prominently post the following items, clearly visible to parents and staff: (1) The license issued under chapter 74.15 RCW;

(2) the notice of any pending enforcement action. The notice must be posted immediately upon receipt. The notice must be posted for at least two weeks or until the violation causing the enforcement action is corrected, whichever is longer;

(3) a notice that inspection reports and any notices of enforcement actions for the previous three years are available from the licensee and the department; and

(4) any other information required by the department.

Requires every child day-care center and family day-care provider to have readily available for review by the department, parents, and the public a copy of each inspection report and notice of enforcement action received by the center or provider from the department for the past three years.

Authorizes the department to place a child day-care center or family day-care provider on nonreferral status or stop placement status if the center or provider has failed or refused to comply with chapter 74.15 RCW or rules adopted under that chapter and an enforcement action has been taken.

Requires the department to compile an annual report summarizing all enforcement actions for the previous fiscal year relating to children in the care of child day-care centers and family day-care providers. The report must be provided to the legislature, the child care coordinating committee, and child care resource and referral agencies by August 1st of each year beginning in 2000.

Directs the department to establish and maintain a toll-free telephone number, and an electronic on-line system for communication of information regarding child day-care centers and family day-care providers. This number shall be available during standard business hours and during nonbusiness hours callers shall be able to leave messages. The number shall be published in reasonably available printed and electronic media. The number shall be easily

identifiable as a number for communication of information as set forth in this act.

**SB 5848-S3** by Senate Committee on Ways & Means (originally sponsored by Senators Hargrove, Hochstatter, Thibaudeau and Oke)

Providing insurance coverage under the basic health plan.

(DIGEST OF PROPOSED 3RD SUBSTITUTE)

Finds that limitations on access to health care services for enrollees in the state, such as in rural and underserved areas, are particularly challenging for the basic health plan. Statutory restrictions have reduced the options available to the administrator to address the access needs of basic health plan enrollees.

Declares an intent to authorize the administrator to develop alternative purchasing strategies to ensure access to basic health plan enrollees in all areas of the state, including: (1) The use of differential rating for managed health care systems based on geographic differences in costs; and

(2) limited use of self-insurance in areas where adequate access cannot be assured through other options.

Provides that, in developing alternative purchasing strategies to address health care access needs, the administrator shall consult with interested persons including health carriers, health care providers, and health facilities, and with other appropriate state agencies including the office of the insurance commissioner and the office of community and rural health. In pursuing such alternatives, the administrator shall continue to give priority to prepaid managed care as the preferred method of assuring access to basic health plan enrollees.

Requiring procedures to assist temporary assistance for needy families applicants who are domestic violence victims.

**(DIGEST OF PROPOSED 2ND SUBSTITUTE)**

Declares an intent that the caseworkers, social workers, case managers, those performing client assessments, and job service specialists who come into direct contact with applicants or recipients of temporary assistance for needy families will be trained to identify and assist domestic violence victims.

Directs the department to develop screening procedures for identifying victims of domestic violence and monitor compliance with such procedures by its employees, contractors, and subcontractors. Such procedures shall include universal notification to all applicants and recipients of temporary assistance for needy families and state family assistance of the following: (1) Availability of supportive services;

(2) options for exemption or deferral of program requirements that make it more difficult for applicants or recipients to escape from domestic violence or unfairly penalize them for being victims of domestic violence;

(3) procedures for obtaining supportive services or applying for exemptions or deferrals; and

(4) procedures for voluntary and confidential disclosure of eligibility by the client for referrals to supportive services and deferral of program requirements.

Directs the department of social and health services and the employment security department to provide or contract to provide specialized training in culturally competent identification and appropriate assistance of domestic violence victims. Training shall include, at a minimum, the need for safety and confidentiality, the identification of patterns and cycles of abuse, and awareness of local and regional resources for legal assistance, counseling, and safe house organizations.

Establishing WorkFirst performance measures.

**(DIGEST OF PROPOSED 2ND SUBSTITUTE)**

Declares an intent to ensure that the WorkFirst program leads to substantial increases in hourly wages and quarterly earnings, and high levels of job retention. The

legislature acknowledges that receipt of food stamps, medicaid, and child care benefits provide wage supports that can raise families' standard of living and prevent families from returning to cash assistance because they need health care, child care, or are hungry.

Declares an intent to adopt performance measures and goals for increases in hourly wages, quarterly earnings, job retention, and access to benefits that support work for WorkFirst participants who have entered unsubsidized paid employment. It is also the intent of the legislature to direct the department of social and health services to establish and meet customer service measures and goals for the WorkFirst program. These measures shall be used to assess the effectiveness of the WorkFirst program in promoting a rising standard of living, stable employment, and career advancement for WorkFirst participants who enter unsubsidized paid employment.

Declares an intent of the legislature that the program's performance in achieving these goals shall be published and made available to the legislature and the general public on a quarterly basis.

Splitting the department of community, trade, and economic development and reestablishing the department of community development and the department of trade and economic development.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares that the purpose of this act is to effectively organize state efforts to address the community and economic development needs of the citizens of the state of Washington by restructuring the department of community, trade, and economic development into two separate agencies, the department of community development and the department of trade and economic development. The department of trade and economic development will consist of the existing divisions of economic development, energy policy, and international trade. The department of community development will consist of the existing divisions of housing, community services, and local government.

Declares an intent that the restructuring will allow each agency to: (1) Identify and develop a focused mission; (2) organize and deliver services in a manner that is responsive to current and future needs; and

(3) effectively target resources to meet the identified mission and needs of the citizens of the state of Washington in the most efficient and effective manner.

Repeals RCW 43.330.005, 43.330.007, 43.330.010, 43.330.900, and 43.31.800.

                          Rasmussen)

Funding traffic safety improvements.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Creates the traffic safety improvement account in the state treasury. The purpose of this account is to improve traffic safety by funding programs through the Washington traffic safety commission, particularly those directed by chapter 43.59 RCW. The school zone safety account, the bicycle and pedestrian safety account, and the impaired driving safety account are abolished as separate accounts and are merged into the traffic safety improvement account.

Provides that, in addition to any other penalties imposed under RCW 46.63.110, a person found to have committed a traffic infraction other than of RCW 46.61.440 or 46.61.527 will be assessed an additional penalty of ten dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. Revenue from the additional penalty must be forwarded to the state treasurer for deposit in the traffic safety improvement account under this act.

Provides that, in addition to any other penalties imposed for conviction of a violation of title 46 RCW that is a misdemeanor, gross misdemeanor, or felony, the court must impose an additional penalty of fifty dollars. The court may not reduce, waive, or suspend the additional penalty under any circumstances. Revenue from the additional penalty must be forwarded to the state treasurer for deposit in the traffic safety improvement account.

                          Rasmussen, Morton, Patterson, Kline, Jacobsen and  
                          Kohl-Welles)

Encouraging recycling and waste reduction.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires that, if a construction project receives state public funding, the general construction contractor shall develop and implement an on-site waste management plan. The plan shall include: (1) An identification of the type and volume of wastes to be generated during construction; (2) an analysis of the availability and cost-effectiveness of recycling services for each type of waste identified in this act; and

(3) strategies to maximize reuse and recycling of wastes and minimize landfill disposal.

Encourages city, county, and state governments, the private sector, and consumers to collaborate in sharing information and becoming informed about opportunities for increasing voluntary product stewardship to support the state's recycling goals.

Authorizes the commission to allow a solid waste collection company collecting recyclable materials from residential customers to retain up to thirty percent of the revenue paid to the company for the material if the company submits a plan to the commission that is certified by the appropriate local government authority as being consistent with the local government solid waste plan and that demonstrates how the revenues will be used to increase recycling. The remaining seventy percent of the revenue shall be passed to residential customers served by the company.
